

A Child's Christmas in Wales

Examples of Snow Quotes:

“December, in my memory, is white as Lapland, though there were no reindeers.”

“And they rang their tidings over the bandaged town, over the frozen foam of the powder and ice-cream hills, over the crackling sea.”

“And the cold postman, with a rose on his button-nose, tingled down the tea- tray-slithered run of the chilly glinting hill.”

Paragraph for text marking:

Our snow was not only shaken from whitewash buckets down the sky, it came shawling out of the ground and swam and drifted out of the arms and hands and bodies of the trees; snow grew overnight on the roofs of the houses like a pure and grandfather moss, minutely white-ivied the walls and settled on the postman, opening the gate, like a dumb, numb thunderstorm of white, torn Christmas cards.
